across

2. i asked for \_\_\_\_\_ to smile  
upon me with his sweet face
6. and as empty as a \_\_\_\_\_
7. dancing between the alter and the \_\_\_\_\_  
seat
10. saved by time if you don't \_\_\_\_\_
12. the heart and the mind on a \_\_\_\_\_  
course
14. who still see life as some kind of a \_\_\_\_\_
15. you know there's just too much \_\_\_\_\_
18. trying to \_\_\_ inside your mind
19. i'm talking about that burning wheel of  
\_\_\_\_\_
20. we're all born in the devils \_\_\_\_\_
21. yeah i \_\_\_\_\_ my love a hunger
23. pain from \_\_\_\_\_ - hey little girl
24. where is the world that \_\_\_\_\_ you
27. what's left when the \_\_\_\_\_ have all been  
broken
30. but when it comes to flesh and \_\_\_\_\_
31. but it has come to mind as you \_\_\_\_\_ on
32. ah the \_\_\_\_\_ you know he kindly spoke
34. watch the \_\_\_\_\_ behind the curtain
37. are you aware of the \_\_\_\_\_ beneath your  
feet
38. the \_\_\_\_\_ lies within us
41. you will be saved by \_\_\_\_\_ in the end
43. these little \_\_\_\_\_ destroy you
45. you gotta learn to touch to \_\_\_\_\_
46. oh to reach through all your \_\_\_\_\_
47. i resign myself to \_\_\_\_\_
48. from the \_\_\_\_\_ to the brimstone

down

1. and the upper \_\_\_\_\_ of mediocrity
3. when it's time for them to \_\_\_\_\_
4. what does your \_\_\_\_\_ tell you
5. ah these \_\_\_\_\_ they all they  
drink our wine
6. secret \_\_\_\_\_, running high
8. and \_\_\_\_\_ servants too
9. everybody loves a \_\_\_\_\_ and the  
scandal of a lie
11. why does my love \_\_\_\_\_ you
13. no one can convince me we aren't  
\_\_\_\_\_ for our doom
16. what would replace the \_\_\_\_\_ with the  
stars above
17. how much further, if you are \_\_\_\_\_
22. oh said the \_\_\_\_\_ to the thief
23. and he almost \_\_\_\_\_ me under
25. skipping \_\_\_\_\_, we know the price now
26. \_\_\_\_\_ blood runs thick my friend
28. don't you \_\_\_\_\_ that this is real
29. and the \_\_\_\_\_ well he dig my earth
33. my greatest \_\_\_\_\_ my greatest cause to  
grieve
35. now how long can you be \_\_\_\_\_
36. the heart of a \_\_\_\_\_ and the mind of a  
child
39. tell me where is the \_\_\_\_\_
40. now let us all not talk \_\_\_\_\_ now
42. did you \_\_\_\_\_ the soul
44. look at the \_\_\_\_\_ you can open the door
