1. and you kept it like a \_\_\_\_\_ forever
5. and the very close \_\_\_\_\_ are hard to get used to
10. it's \_\_\_\_\_ quiet here since love fell asleep
11. i'm \_\_\_\_\_ in june
14. and this strange season of \_\_\_\_\_ will come to pass
18. do you belong to the \_\_\_\_\_ race
19. you know the things that i am \_\_\_\_\_ of
20. we act empty and \_\_\_\_\_
21. what makes me think i could start clean \_\_\_\_\_
23. well the curse and the \_\_\_\_\_
25. gypsies queers and david's star
26. cover our \_\_\_\_\_ with clear blue skies
28. and i'm working through the \_\_\_\_\_ of my fears
29. i said to you the one gift which i'd \_\_\_\_\_
31. no way construction of this \_\_\_\_\_ plan
32. we watch for \_\_\_\_\_ in the sky
36. now you \_\_\_\_\_ your faith
37. chase all the \_\_\_\_\_ from your head
38. i'm \_\_\_\_\_ a fugitive
39. and i bought you that \_\_\_\_\_ cause i never was cool
44. a mere token of a brighter \_\_\_\_\_ sent from above
45. \_\_\_\_\_ moon
47. smoking vines like \_\_\_\_\_
48. too \_\_\_\_\_ the heat of those long summer evenings
50. but the question drowns in it's \_\_\_\_\_
51. i could go \_\_\_\_\_ on a night like tonight
52. looking through the \_\_\_\_\_ mags

down

2. love weighs the \_\_\_\_\_ down with its weight
3. laughter like a \_\_\_\_\_ i once spoke with ease
4. i was aching with \_\_\_\_\_
6. oh you set up your place in my \_\_\_\_\_
7. seems more than all the courage i can \_\_\_\_\_ up inside
8. basking in the \_\_\_\_\_ of her thief
9. i'll i've heard has been in \_\_\_\_\_
12. had to burn itself up just to make itself \_\_\_\_\_
13. so what is love then is it \_\_\_\_\_ or chosen
15. do you shock the \_\_\_\_\_
16. cause i've seen the of so many people
17. oh the \_\_\_\_\_ gets the ship and the girl tonight
22. aren't you \_\_\_\_\_ inside
24. \_\_\_\_\_ vendors
25. ike the \_\_\_\_\_ in a stream
27. dogs in a \_\_\_\_\_
30. \_\_\_\_\_ on the wire
33. touch me i'm so \_\_\_\_\_
34. the sound of the \_\_\_\_\_ these years later
35. but a road that \_\_\_\_\_ and fast ends in a fatal crash
40. \_\_\_\_\_ to the one i miss forever
41. cause there's a \_\_\_\_\_ we like to drive
42. the \_\_\_\_\_ of youth the color of your eyes
43. so i just sit up in the house and \_\_\_\_\_
46. that for whatever kind of \_\_\_\_\_ you got
49. i don't know if it was real or in a \_\_\_\_\_
