

## the ep - lyrics

across

8. in a dusty \_\_\_\_\_ the living god called
9. my dreams are just old \_\_\_\_\_ on the shelf
13. my heart it still seemed so \_\_\_\_\_
14. another night in a \_\_\_\_\_
15. or stayed in childhood where the \_\_\_\_\_ keeps you cool
18. and skies are \_\_\_\_\_
19. captured in \_\_\_\_\_ glass
20. still it's canvas and \_\_\_\_\_
24. you can go to the \_\_\_\_\_ to find your
25. still there's a point to this \_\_\_\_\_
26. until time makes \_\_\_\_\_ of us
28. but i've \_\_\_\_\_ too far to drop
30. oh hear my \_\_\_\_\_
31. i'm not your promised \_\_\_\_\_
33. you will miss my \_\_\_\_\_
36. making my living selling \_\_\_\_\_
38. to return to the \_\_\_\_\_ i must keep
39. are all the \_\_\_\_\_ behind the bar
41. my dreams my holy \_\_\_\_\_
42. the \_\_\_\_\_ where my heart is
43. oh the \_\_\_\_\_ of my heart
44. why can't we \_\_\_\_\_ it all to the end of the line
48. because you know you got your \_\_\_\_\_ open
49. she's a \_\_\_\_\_ snake and she'll keep what she takes
50. brilliant \_\_\_\_\_ as they stand
51. a song of \_\_\_\_\_

down

1. i remember the \_\_\_\_\_ said give it a try
2. throw away your hidden ace you clever
3. it's just a \_\_\_\_\_ game
4. my blood is running \_\_\_\_\_
5. maybe i should have gone to \_\_\_\_\_ school
6. if there's a \_\_\_\_\_ to this madness
7. the more i find myself to \_\_\_\_\_
10. i threw my \_\_\_\_\_ away
11. and i wish i could have been the first \_\_\_\_\_
12. or gained myself a \_\_\_\_\_ trade
14. i'm not the land of canaan \_\_\_\_\_
16. take part in the pain of this \_\_\_\_\_ play
17. as if they were my \_\_\_\_\_ itself
21. it's just the \_\_\_\_\_ skyline sweetheart
22. my skin is growing \_\_\_\_\_
23. still all in all i \_\_\_\_\_ my own fall
27. stretching our \_\_\_\_\_ as we must
29. i felt a sense of \_\_\_\_\_
32. i've been \_\_\_\_\_ for new words
34. but like \_\_\_\_\_ tide she comes on to you
35. and the town is \_\_\_\_\_
37. for lands \_\_\_\_\_ and mine
40. either i leave your heart \_\_\_\_\_
45. but when she leaves you i'll be the one \_\_\_\_\_
46. as true and \_\_\_\_\_ as mine
47. on \_\_\_\_\_ leaf and pine
