Except where indicated, all clothing is available in sizes L and XL. Payment for foreign orders must be made by cashier's check drawn on a U.S. bank in U.S. dollars ONLY. In response to your inquiries: 1) Look for the RITES OF PASSAGE songbook on our next list; 2) Sorry, we cannot offer the video "Live at the Uptown Lounge" through the fan club. Your local video or record store should be able to get it; 3) We do try to give you advance information on concert schedules, but this isn't always possible if confirmation of tour dates doesn't coincide with publication of the newsletter.

Hi y'all!

We recently took an  to Newport, RI to sing with **JOAN BAEZ** and **MARY CHAPIN CARPENTER** for the  festival. When we sing together we go by the name **4 VOICES**. When we got there we practiced very hard  and drank lots of .

Sunday looked like this:

so they had to mop the stage a lot. We got  $\frac{3}{4}$  of the way through the set, having a blast, when they pulled the  because of weather. The crowd was amazing!  and brought sunshine to us all in the midst of gloom and doom. Thank You, Newport!

Please **VOTE** .

current book: "The Devil's Dream" by Lee Smith

You'll check out Joan Baez' upcoming record: it's great!

We're on the road to **CAL-1-FOR-NI-A**.

# What's Up...

Thanks to all of you, we've had a great touring season. Our band has been exciting and full of new ideas. We would like to thank Jerry on drums, Sam Lee on bass, Scarlet Rivera on Violin, and Martin and Jane on cello. All

the shows have been really fulfilling. By the time you get this, we will be getting ready to head over to Europe. We have a lot of ideas about European tours - I'm sure something fun will work out. While touring the U.S. I read a great book called The Glory and the Dream. This is American History from 1932 - 1972. Although the book was a little sexist, I think its great reading and a good perspective of political history.

Speaking of art... I just saw a

film called Daughters of the Dust by GA. filmmaker Julie Dash. Everyone should see this film!

Good Luck to all you students - young and old... We played the Newport Folk Festival - but it rained us out. Chapin, Joan and the Indigos will be doing a four voices show sometime in the next few months. Look out for us.

This is Earth Day '82 with Joan Baez...
